

EasyDate Says Yes to Free UK Gay Dating

Sunday, 04 February 2007

UKGayLife.com has surprised the industry once again by cutting down its membership fees right down to zero. This makes it a UK Gay Dating site where thousands of gay singles can chat, cruise and meet, absolutely free.

Our ongoing attention to the EasyDate network of dating sites is a clear sign of our professionalism and dynamic approach to the dating industry. We are constantly offering our members fresh and exciting ways to interact with each other and enjoy their online dating. Our UK Gay Dating site is now free for new and existing members and we are thrilled with the response so far.

The site was re-designed and re-launched in 2006 and the amount of gay singles signing up to www.ukgaylife.com has been rising steadily ever since.

EasyDate Marketing Manager, Sean Wood, said: "Our ongoing attention to the EasyDate network of dating sites is a clear sign of our professionalism and dynamic approach to the dating industry. We are constantly offering our members fresh and exciting ways to interact with each other and enjoy their online dating. Our UK Gay Dating site is now free for new and existing members and we are thrilled with the response so far."

UKGayLife.com has location search features that allow singles to find a potential partner within a certain radius as well as the 'Search Plus' advanced search facility which gives them a plethora of options for carrying out a highly detailed search for their perfect partner. Search by Religion, Height, Build, Eye colour, Starsign or Earnings and just about every other attribute. This advanced search feature saves gay singles from trawling through several pages of potentially unsuitable UK Gay Dating candidates.

The site also allows gay singles to engage in live chats with other members, as well as sending and receiving unlimited emails through the www.ukgaylife.com internal email service.

For gay singles always on the move, with busy lifestyles and tonnes of energy, sites such as UKGayLife.com are a breath of fresh air. Signing up is easy, there are no fees to be paid, the service is easy to use and the opportunity to meet interesting people is at the click of a button.

The UK Gay Dating industry is thriving and is clearly set for continuous growth with more people using the internet to find a partner as an easier and safer alternative to traditional dating.
